over-stout women, are both "out of condi-tion;" they both lack the best sort of physi-cal development. If their digestive and as-similative functions

similative functions were perfect, the thin woman would gain flesh; the stout one would lose it. This is why Dr. Pierce's Golden Medical Discovery builds up strength in both stout and thin people. It empowers the blood-making organs to supply fresh red, highly vitalized blood which builds up solid, healthy flesh to the normal standard, but above that point reduces and carries away flabby fat. It brings you into "condition;" imparts nerve force and stamina; rounds out sunken faces and meagre forms; smoothes away wrinkles; puts color in the cheeks and sparkle in the eyes. Its nutritive properties far exceed those of any malt extract or vile "emulsion."

The remarkable challenge by Dr Hobbs to every interested citizen of Alexandria to test the merits of his Sparagus Kidney Pills to cure every conceivable form and phase of diseas of the kidneys, rheumatism and blad-der troubles is worthy of more than

Dr. Hobbs does not enter these columns with mere assertions of the value of his remedy, and invitations to call at the druggists and pay for his remedy before its merits are known, but, in unmistakable terms, he invites every in-

efficacy to relieve and cure disease.

The claims made for the remedy in question are, speaking in a general sense, that the Hobbs Remedy Company of Chicago and San Francisco are the owners of an ASPARAGUS KIDNEY REMEDY, which they positively assert will care all kidney diseases, with the assertion of those where tumors and exception of those where tumors and ulcers have formed and a surgical op-

eration is necessary.
